# CLOSE PATH CALL TO END MISERY

**A CALL has been made to close a problem walkway in Hednesford after vandals forced a long-suffering resident to put their house up for sale.**

Youths regularly race motorbikes up and down the walkway – which links Beech Pine Close with Bradbury Lane – until the early hours, causing misery to people nearby.

Police have stepped up patrols but South Staffordshire Council currently has no plans to close off the area to the public.

The matter will be discussed at a Hednesford Town Council meeting next Tuesday (July 3).

The unnamed resident who has put their house on the market said their five-year-old son narrowly escaped seriously injury recently when a speeding bike missed him by inches.

"We have suffered vandalism, abusive and disorderly behaviour and much more," the resident said.

"The activity the walkway brings is making us ill, nervous and extremely frustrated, to the point we have put our house on the market."

### Trapped

"However this will prove difficult due to the registered activity – we feel trapped."

"My neighbours all feel the same, some of which are elderly and unable to react to the problems faced."

"My son could have been seriously injured – I need to close this somehow before it is too late."

Pye Green ward councillor Alan Pearson, said closing the walkway was an extreme option but said the council would look into the issues raised.

"We're very against closing walkways as it would be detrimental to people on the estate," Councillor

by Tim Spiers

Pearson said. "However I sympathise with their concerns and it's a real shame if they're forced to move house."

The councillor added: We don't want any resident to have to go through a problem like this.

"We'll take on board their concerns and make sure the area is policed properly."

The walkway is the responsibility of Staffordshire County Council's Highways department.

A spokesman said it was unlikely the walkway would be shut as it was useful for residents on Corsican Drive to access shops on Bradbury Lane.

"We do understand the issues here which are very common within family estates with the residents closest to the alley or footpath suffering the most disruption," he added.

"We are aware we have barrier at the junction of Bradbury Lane to prevent bikes coming straight out."

"We would suggest we could consider a small section of barrier at the bottom of the link. This would prevent bikes speeding out of the footpath."

Residents should also gather evidence such as possible names and addresses of the offenders and give them to the police.

"However we are aware this is not always possible," he added.

Pupils and staff in Victorian clothes watch former head David Williams cut the ribbon on the mural to mark the 100th anniversary of Bridgtown Primary School

## Festivities as school turns 100

PUPILS and staff stepped back in time 100 years when they celebrated a century of teaching and learning at village school.

Bridgtown Primary School hosted a week of activities to mark its centenary, inviting around 60 former colleagues to help join in the fun.

Ex-headteacher David Williams, who worked at the North Street school for 27 years before retiring in 2009, also attended the celebrations, unveiling a new mosaic.

The mural, designed by artist Celia Houghton, is an updated version of Bridgtown's logo, incorporating '100' and made up of tiles produced by everyone at the school.

Former pupils included 96-year-old Dora Leighton – star of Bridgtown's 150th birthday celebrations last year – who spoke to current students about what school life used to be like.

Other activities throughout the week included historical fancy dress, a fun day and a picnic, while another ex-pupil Jim Carlo put on a magic show.

Current headteacher Jo Raybould said it was a wonderful week.

"It was really exciting for the pupils, who all had a fantastic time," she added.

"It brought history to life for them and involved some lovely community links."

## Town 'in need' of big name retailers

A HEDNESFORD councillor claims retail giants like Marks & Spencer and Primark need to set up shop in the town for it to survive.

Two units next to the new Hednesford Bingo Hall, in Rugeley Road, have been empty since it opened in October as part of the town's £50m regeneration. Councillor Linda Whitehouse said she wanted to see the likes of Marks & Spencer and Primark moving in.

She said: "We could do with some leading stores moving in."

"We already have hairdressers, nail boutiques, which are all great, but we could do with the likes of a Primark or Next, and good, quality shops like Marks & Spencer."

### Offers

St Modwen Development surveyor Mark Watkins said the developers had received a number of offers from retailers for the Rugeley Road outlets.

The new Victoria Shopping Park is set to open by the end of the year and will include an 80,000sq ft Tesco store, a 640-space car park, a terrace of non-food retail units, retail kiosks and a replacement community building.

Cannock Council says it remains on track to deliver the regeneration by the year's end.

THOUSANDS of people are expected to line the streets when the Olympic Torch passes through Great Wyrley and Newtown this weekend.

The famous flame will also pass through Streethay, Lichfield, Hopwas and Tamworth when it arrives on Saturday.

Excitement is near fever pitch for the momentous occasion.

In Great Wyrley, preparations are well under way, with the flame's arrival coinciding with the annual carnival, which this year is expected to be their biggest ever.

Parish chairman councillor Kath Perry said the village was just "buzzing" with excitement for the day.

She said: "We are just so excited that the torch is coming through Great Wyrley and the fact that it is on the same day as our carnival is even better."

"There are so many things happening along the A34, there is just such a buzz already."

"Usually we have around 5,000 people come along to our carnival, but this year we think it is going to be even bigger and even better."

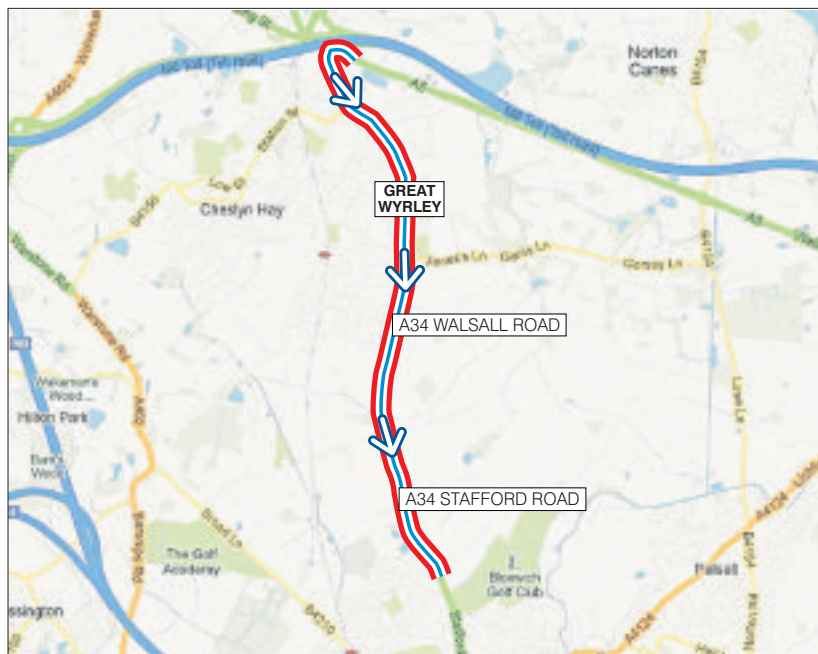

"There are going to be marching bands, themed floats from all the community groups, stalls, a fun fair and entertainment throughout the day," Councillor Perry added.

"It's going to be amazing and such a wonderful day. The spirit of the local community really is bubbling up."

To mark the occasion, five trees, which will each flower in the five colours of the Olympic rings, have been planted in the village.

The Olympic Flame will be visiting the National Memorial Arboretum at around 8.30am, and then travelling through Streethay at approximately 9.14am.

It is expected to arrive in Lichfield City at 9.20am. It will then be driven to Hopwas, where

Harrison Jinks' bear scooped first place in his Batman costume. Harrison and his family won a free round of crazy golf at Beacon Park, Lichfield.

Councillor Val Richards, Lichfield District Council's Cabinet Member for Leisure Services, said: "The Teddy Bears' Picnic looked lots of fun and well done to Harrison for winning first place with his teddy bear."

Next weekend, the council's parks team is inviting all eight-to-14 year-olds to enter the Chasewater Grand Prix, which takes place on July 7 and 8 from 11am to 5pm.

## Fire tackled by occupant

A WOMAN needed medical attention after trying to tackle a kitchen blaze. Two crews from Rugeley were called to the fire on West Butts Road, Etching Hill, at around 5.40pm last Thursday (June 21).

The female occupant put out the blaze herself using a tea towel and water. When firefighters arrived they found her with a blackened face and called for an ambulance.

The fire was caused by a plastic tray left on top of a hob.

The woman was checked over by paramedics but did not require hospital treatment.

Rugeley station manager Toby Wilson said: "Don't try to tackle fires yourself because the likelihood is you'll end up hurt."

# Space running out on hospice Vietnam trek

From left, Chris Cheadle, Janet Singh and Hannah Parrott

INTREPID adventurers from Cannock can experience the trip of a lifetime while helping out a leading charity at the same time.

But they will need to act fast as only 17 places remain on the trek to Vietnam. Thirteen people have already signed up for the fundraising expedition in aid of St Giles Hospice.

Those from the Cannock area who have already signed up include Chris Cheadle, Janet Singh and Hannah Parrott.

The adventure will see people spending 10 days hiking in the Hoa

Binh province, located in the mountainous area south east of Hanoi.

For those wanting to take part, open days are being held at the hospice in Fisherwick Road, Whittington, at 3pm and 7pm on Wednesday July 11.

It will feature a presentation and a question and answer session, along with walkers who have completed previous St Giles treks.

Helen Reihan, head of fundraising for St Giles Hospice, said: "We recently held two open day sessions for those interested to find out more

about the trek, and they were such a success that 13 people signed up there and then. There are now just 17 places up for grabs."

The trek takes place between October 17 and 26 next year and is open to anyone aged over 18. All sponsorship money raised by the trekkers will go towards helping to care for local people living with cancer and other serious illnesses.

Further details on the Trek to Vietnam are available on 01543 434542 or by emailing jenni.dawson@st-giles-hospice.org.uk

# High school revamp will get under way in summer break

A VILLAGE high school is to get a £250,000 revamp under new plans revealed this week. The work at Cheslyn Hay Sport and Community High School will include a new ICT block and sixth form centre.

Teachers say the work will bring the school, in Saredon Road, into the 21st century. It is hoped the project will be completed over the summer holidays.

The new-look school is then expected to be ready in time for the new academic year in September.

Peter Grew, director of business and finance at the school, said a total of £200,000 would be spent on the new sixth form centre and £50,000 on providing the new ICT suite.

"It will mean 75 more computers for out ICT suite and overall the facilities will be much better," said Mr Grew.

"It has been a number of years to draw all of the funding together."

Construction Once the work is completed, the school said the new building would free up other space in the main teaching block.

The area the sixth form students use for lessons and recreation will become the setting for the ICT suite.

The latest work follows construction that was carried out in 2010, when the school replaced two mobile classrooms with a new six-room modular block.

The original building was completed in 1977 and over the years there have been several improvements to keep the school up to date.

The plans have been sent to education and planning chiefs at Staffordshire County Council to seek approval from them.

The design and access statement sent to the council says the work is essential and will benefit more than 200 sixth form pupils.

It says: "The school currently has 220 sixth form pupils on roll, but no sufficiently large single suite of rooms to accommodate them and to allow the required mix of social activities, private study, staff mentoring, etc."

The building will contain a social space for the students, a private study room a head of sixth form office, and new toilets.

## Railway visitors go back in time

HUNDREDS of people stepped back in time during a vintage day at Chasewater Railway.

Crowds flocked to the nostalgia event, called We'll Meet Again on Sunday (June 24).

It saw 50 exhibitors selling vintage clothing, jewellery, accessories, homeware, arts, crafts and handmade items.

Organiser Sharon Taylor, aged 39, from Always Red Events, said: "We had around 1,000 people during the day."

"The entertainers were absolutely brilliant."

Families

She added: "We had a good cross range of people, from young families to couples."

She added another vintage day was scheduled for November.

During Sunday's event, there were cupcakes, confectionery and ice cream on offer, plus vintage hostesses in costume who were on hand to meet and greet visitors.

Performer Laura Mai performed some 40s classic songs and Strictly Jitterbug strutted their stuff on the railway platform.

## THE BEST OF PETER RHODES

"KNOWLEDGE is strength" has become a mantra of this information age of ours. But sometimes, knowledge can be a right pain. A reader has been informed by his GP that he has the same genetic heart condition that killed his aunt and uncle. He was much happier when he didn't know.

□□□□□□□□

I SUGGESTED a few days ago that, until the recent planetary event, most people thought the Transit of Venus was an erogenous zone. A reader insists he thought it was a passion wagon made by Ford.

□□□□□□□□

AN old soldier writes in appreciation of my recent piece about D-Day. He was there, landing on Sword Beach on June 6, 1944 and says of that epic day: "Sadly, today it does not get mentioned enough." Hang on in there, old warrior. Come 2014 and the invasion beaches will be thronged with veterans and well-wishers marking the 70th anniversary. We shall not forget.

□□□□□□□□

I DID NOT get the joke of the young joker trying to present a maths book to Chancellor George Osborne. We are told this person is from a new BBC show which will "poke fun at the Establishment". This is amusing only if you believe that the BBC, which gets £4,000 million of taxpayer's money every year, is not itself a part of the Establishment. But of course it is, right up to its neck.

□□□□□□□□

HEARTWARMING, wasn't it, to see those MPs bravely standing up in the Commons and admitting they had suffered from mental illness? But you couldn't help noticing the illnesses in question were the respectable ones such as depression and obsessive-compulsive disorder, which attract sympathy or kindly amusement. I was waiting for an MP to deliver a torrent of effing and blinding and admit he had a virulent form of Tourette's syndrome. Or maybe a kleptomaniac Member would confess he'd nicked all the Commons notepaper. Or perhaps an MP might admit he has a bit of a problem swiping ladies' underwear from washing lines. We live in hope.

□□□□□□□□

ALL the truly great conspiracies, from the Vietnam War to the assassination of President Kennedy, involve sinister American industrialists behind closed doors. So it is with The Men Who Made Us Fat (BBC2) in which Jacques Peretti alleges that sinister US politicians and food manufacturers are responsible for sweeteners and portions which have forced us to eat too much. See? It's not your fault you're a larder - blame all those wicked Americans. After comfort food, this sounds suspiciously like a comfort conspiracy. Whatever happened to self-discipline?

□□□□□□□□

I SUGGESTED recently we grown-ups don't remember the poems we learn as kids. A reader insists she has never forgotten this one, which she has passed on to her own offspring: "Not last night but the night before / Three little pussy cats knocked on my door. / One had a trumpet, one had a drum / And one had a pancake stuck to his bum." Wordsworth, I presume.

## Top award dished out to restaurant

A CHESLYN Hay restaurant has made banner headlines by picking up a curry club's top award.

A host of councillors were present as the Shaan Balti picked up the Midland Balti Association's Golden Banner award - the MBA's highest accolade.

Cannock Chase Council chairman Bob Todd presented the award to Mohammed Ghashan, owner of the High Street restaurant. He also received a personal

recommendation from the South Staffs MP Gavin Williamson.

Other councillors in attendance at the ceremony included Diane Todd, Chris Mitchell and Janos Toth.

Entertainment came from comedian and compere David St John with music from Karl Stafford - whose set included a number of Elvis songs - and Natasha Marie, who followed up her soul and Motown slot with a belly dancing routine.

## Hospitals' parking fees rise yields extra £4,851

INCREASED parking charges at Mid Staffordshire NHS Foundation Trust have more than £4,500 in extra revenue since they were brought into force in January.

The bumped-up fees at Stafford and Cannock hospitals were introduced to help save the trust looked to save hundreds of thousands of pounds as part of a raft of proposals

Between January and May 2012, there was an overall payment increase of £4,851 - around 2.5 per cent - compared with the period of January to May 2011. Hospital bosses say the move was also brought in to reduce congestion.

The new system now sees visitors to the two hospitals pay 80p for up to 30 minutes to £6 for 24 hours.

The biggest year-to-year increase in revenue was January. In 2011, bosses had an income of £32,603 whereas this year that figure increased to £43,913.

## Designed

The only surprise was in March 2012, when there was an income of £42,141 in comparison to £44,716 in March 2011.

Darren Cattell, director of finance of Mid-Staffordshire NHS Foundation Trust, said the changes were brought in to bring the trust more in line with others in the region.

He said: "These changes are designed to help to

by Richard Woodall

increase flow through our car parks, in order to try to reduce the congestion which can cause inconvenience to patients and visitors.

"There has not been a rise in our car parking tariff for five years and these charges bring us into line with other similar sized trusts such as Burton."

He added: "This pricing also takes into consideration the cost of bus travel, so that we encourage people to consider other forms of travel, other than single occupancy cars, supporting our carbon reduction targets."

Hospital bosses are considering other proposals to save cash including a review of catering services at Cannock Hospital in Brunswick Road.

One option under consideration would be to cook patients' meals at Stafford Hospital before transporting them to Cannock. Ruling bosses say no decision has been made yet.

## Residents can take look at plans for fire station

Visitors will be able to speak to the team co-ordinating the build as well as station staff. Light refreshments will be provided.

It is one of 11 community fire stations in the 4 county being rebuilt as part of a £50m private finance initiative. Project manager Norma Putman said: "We'd welcome residents to attend so we can share our plans and provide information as to how the construction phase will be managed and what facilities will be on offer."

## Flying the flag for the forces

Sapper Clive Smith, centre, with L Cpl Joe Timmins from Cannock Army Cadet Force, Tony Carpenter from Norton Canes Royal British Legion, Derrick Ellison from Walsall and District Normandy Veterans Association and John Griffin from RAFA Cannock

THE Armed Forces Day flag is flying high at Cannock's Civic Centre. A special flag-raising ceremony was held on Monday as part of Cannock Chase Council's contribution to this Saturday's Armed Forces Day.

The flag was raised by Sapper Clive Smith, aged 26, from 33 Engineer Regiment, who lost both legs in an explosion in Afghanistan in 2010. Regimental associations, Royal British Legion groups and

cadets were joined by the High Sheriff of Staffordshire Sarah Elsom, and the Deputy Lieutenant of Staffordshire Colonel Chris Comport OBE for the service.

Sapper Smith, of Hedgesford, said: "I was honoured to take part in the ceremony." Council chairman Bob Todd said: "It was a real privilege to meet Sapper Smith and for the council to play its part in honouring our Armed Forces."

## Fun day on cards at school festival

A BURNTHOOD school is to host its own festival this weekend.

Highfields Primary School, in Elder Lane, will be hosting HighFest on Sunday (July 1) from 2-6pm.

Headteacher Mark Wilkes says the aim is to bring the local community together in a fun day. He said: "Many local businesses and community groups have joined with us to make this event and the activities building up to the event a reality."

"There will be musical performances on our festival stage by Erasmus Darwin Academy Jazz Orchestra, Highfields Primary School Choir and The Kerr Donnelly Band, among others."

## Cultures

"Alongside this there will be demonstrations by a local martial arts group, First Aid to You, Theatrics Theatrical School Senior Dance class and dance performances by Highfields Primary School pupils built on the traditions and cultures of some of the countries taking part in the Olympics."

A maypole donated by Councillor Steve Tranter will feature in a dance display. Call 01543 510445 or email office@highfields.staffs.sch.uk for details.

## Free leisure use granted

MEMBERS of the Armed Forces will from this weekend have use of leisure centres in Cannock and Rugeley.

Cannock Chase Council's cabinet approved the move at a meeting last week.

It will mean free entry for the 114 military servicemen and women living in the district to fitness suites and swimming pools at centres in Stafford Road, Cannock and Burnthill Lane, Rugeley.

The move will come into force on Saturday (June 30).

## Exhibition to be held by society

A HISTORY group celebrates its 10th anniversary with its third annual exhibition next month.

The display, by Colton History Society, takes place on July 7 and 8. To celebrate the Queen's Jubilee, it will showcase memories of the coronation, Her Majesty's life and memorabilia from previous monarchs.

Artwork by village pupils to celebrate the jubilee will be shown, along with archive film and pictures of the Queen collected by society members. Exhibits will include artefacts unearthed at recent archaeological digs which shed new light on Colton's past.

Oral recordings made by elder citizens will feature, while visitors can take a trip down memory lane with a display of photographs and press cuttings from members' own archives. Tea and cake will be available.

Copies of Colton - the History of a Staffordshire Village, and Lady Bagot's Book, Blithfield Hall - a Country House Saved, will be on sale.

The exhibition will be held in the village hall, Reading Room Drive, off Bellamoor Way, from 10am to 4pm. Entrance is £1 and there will be a silent auction and raffle.

The accident occurred in Brindley Heath Road, Hednesford at around 5.30pm on Sunday (June 24).

# Staff numbers to rise as companies merge

Louis Duffy, Julie Metcalfe, Carol Garrington and Terri-Ann Whitehouse

A MEDIA firm has joined forces with a graphics company, moving to a larger premises and increasing its staff numbers.

Bridgtown-based Passionate Media has merged with Aqueous Graphics, formerly of Tipton, to become the Marketing Room.

The company's new base is at Suite 4, Bernar House, Rumer Hill, Cannock. A launch event was being held today (Thursday) from 10am to 4pm. It will comprise free taster sessions in social media, branding and marketing,

as well as refreshments, and a chance to meet the team. Aqueous founder Julie Metcalfe has joined The Marketing Room as creative director.

Marketing director Carol Garrington said the two companies had worked closely for years.

"Our services knit together so well that it was an obvious move to formally merge our two companies," she said.

Julie's first job in her new post was to lead a total rebrand of the business, which offers PR

support, graphic design, social media support, web design, copywriting and training.

The company has also taken on new social media apprentices, Terri-Ann Whitehouse from Bridgtown, and Louis Duffy from Rugeley, both aged 18, taking the total number of staff up to seven. Managing director Linda Aitchison said relocation was necessary following the expansion.

To book for the free workshops, at 11.45am and 1.45pm, call Kim Nash on 01543 468621.

# Memorial to mining history after £70,000 funds boost

**FORMER miners in Rugeley have won a £70,000 grant to build a memorial to the men who worked in what was once the biggest colliery in Europe.**

Rugeley, which boasted the rich seams of Lea Hall and Brereton collieries, is the only one of the three main towns in Cannock Chase not to have a commemorative statue to its mining past.

Now civic leaders have come forward with the cash to pay for a miners' tableau on the Globe island on the A460.

## Fair will include a barbecue

VISITORS can enjoy a barbecue whatever the weather at a Cannock school fair.

The event takes place from 3.15pm tomorrow (Friday) at Hazel Slade Community Primary, in Cannock Wood Street.

It will also feature a beat the goalie and welly-wanging contest. Face painting, bouncy castles and a chocolate tombola are also among the attractions, while refreshments will include strawberries and cream and home-made cakes.

It is the first public event held by the Home School Partnership since its formation at the start of the year. So far, more than £500 has been raised to support the school and its 100 pupils.

Chairman Liz Palmer said: "We have held school discos and bake sales and have enjoyed working with staff, parents and pupils."

Headteacher Louise Brooley, who took over in April, said: "There is a real buzz around the school. Whatever the weather throws at us, I'm sure we'll all have a wonderful time."

The Lea Hall and Brereton Collieries Memorial Society was formed nine months ago by ex-miners and their families to raise the money.

They plan to continue the fund so some of the traditional gatherings that brought the community together can be resurrected, like the annual gala day and the retired miners' supper.

The society has also commissioned a model of the memorial which will be displayed at Rugeley Library and are planning to erect a wall engraved with the names of miners who worked at the town's pits.

## Determined

Society chairman Brian Batey said: "It's wonderful that we have the money for the memorial but we are determined to go further and celebrate the spirit of that period in Rugeley's history. These were great days in the community and brought everyone together."

The money for the sculpture has come from Cannock Chase's town centre regeneration committee.

Fundraisers begin with a gala day at Lea Hall on July 1 followed by a quiz night on July 7 at The Prince of Wales in Church Street. On July 21, an 80s night will be held at Ollys Bar in Bow Street and there will be a cake stall at the Rugeley by the Sea event on July 28.

## Pupils take steps to learning tango moves

Dancers Richard Manuel and Pauline Reibell from the Grand Theatre's Midnight Tango at Cannock Chase High

PROFESSIONAL dancers tangoed their way into a Cannock school for a workshop which was enjoyed by boys and girls alike.

Dancers Richard Manuel and Pauline Reibell were teaching the basic moves of the Argentinian dance to pupils at Cannock Chase High School.

Richard, who has taught and performed in Argentina, Cuba, France, Portugal, Spain and Sweden, has teamed up with Paris-based partner Pauline to stage tango classes at all levels across the UK.

At Cannock Chase High, he taught the students to focus on the music and use the minimum of movement. The

pair took time out from appearing in the dance showcase Midnight Tango at the Wolverhampton Grand Theatre - alongside Strictly stars Flavia Cacace and Vincent Simone - to take part in the week-long arts festival at the Hednesford Road school.

Around 20 girls and 15 boys signed up for the workshop and afterwards put questions to the couple in an informal Q & A session.

Grand Theatre spokesman Vicky Price, who accompanied the dancers, said: "The pupils loved it, and we were delighted to see so many boys there. Everyone had a great time."

The Grand has provided activities at

the school throughout the week. Among them have been a lighting and sound workshop, a demonstration by Glee choir mistress Elaine Buckland and choreographer Lindsey Grant, and a careers talk by theatre chief executive Peter Cutchie.

Chasefest 2012 is the school's second multi-arts festival. It also featured backstage hand Martin Meecham demonstrating the art of fire juggling, Britain's Got Talent cyr wheel performer Billy George and football freestyler Danny McGhee.

It culminated in Chase Rocks, an outdoor concert with both students and staff taking to the stage.

# Praise for medics after bike fall boy back home

Bradley Smith, with mum Angela, sister Sophie, aged 13, friend Jan Brighton and brother Mark Vernon, 18

**AN eight-year-old boy who suffered a serious head injury after coming off his bike in Rugeley is now recovering at home with his family.**

Bradley Smith, a pupil at Churchfield Primary School, was unconscious for more than 24 hours after hitting his head and fracturing his collarbone.

Mother Angela Vernon has praised the paramedics who saved her son's life. She revealed he had had a number

of fits in the helicopter en route to Birmingham Children's Hospital.

The accident happened close to the family home in Burnhill Lane on June 18. During treatment, he had a blood clot removed.

Miss Vernon, aged 42, said: "He can't walk around yet but is back to normal and like an eight-year-old again."

"He can't go back to school for six weeks - this will give him time to get over the operation."

Miss Vernon added: "He was uncon-

scious from Monday until Tuesday night - they did not bring him around to about 9pm on Tuesday night."

"He had a crack to the head from the left side of the ear to the top of his head. "I am just thankful to the paramedics and doctors."

Bradley is the third youngest children of 11. He has six sisters and four brothers. He said: "I fell off my bike when on the road and I went in a helicopter because I hurt my head. Thank you to the doctors for me helping me."

## Stadium site now off 'for sale' list

"HORACE of Hednesford" wrote recently about the plans for the stadium site. Sadly he cannot bear the thought of the site being saved.

When the Conservatives were in coalition with the Lib Dems they ignored the views of local people and demolished the stadium, losing a great facility and putting at risk £650,000 of Asda money.

Now Labour has a majority we have implemented our manifesto promise to take the Stadium site off the "for sale" list. We will save the site for our community to use. The council is starting discussions with various organisations to obtain funding to develop the site for sporting and recreational use and, if Asda ever choose to talk to us, we would like to resolve the unnecessary and avoidable dispute.

## Youth of future facing tough time

THERE was a time when it was usual to see people begging for money to buy food, and people living on the streets because they had nowhere to live. This was in the 1930s. However, we now seem to be going back to the dark age of the poor being cast aside.

Some say this is down to poor house-keeping and if people cut back then they would be able to survive on the benefits they have to live on. But this is not the case. Rents in the private sector are high and housing benefit does not cover the full amount. Benefits have

been cut so even the figures the Government use to calculate what people should have for food does not reflect the amount people are getting from benefit entitlements.

Some people say they should get work, but most jobs are done through agencies so those that are able to get jobs have no protection and on the minimum wage. Working tax credits are now only paid to those who work 24 hours a week which means that those who cannot get the eight hours a week to qualify would not benefit from

working. In many places they have set up food distribution centres for those who cannot afford to feed themselves or their children. How long will it be before the food kitchens open and the old system where people who needed shoes had to get them charitable organisation?

I feel the youth of the future will have a tougher time and the rich will still be in their ivory towers looking down on those who have nothing.

## Delight at picture of old shop

I HAVE been passed a copy of the Memory Lane article of May 24 - 'Days when Chasetown was like a foreign land'.

I was delighted to see a photograph of Lomas's shop because the proprietor Isaac Lomas was my great great grandfather. I have a photo of Isaac Lomas but until this article I had never seen a picture of his shop.

Isaac Lomas had a son called John who in turn had a son called Edwin who was my grandfather. Edwin married Irene Hartshorne, my grandmother, whose father Arthur Hartshorne ran a pub on Chasetown high street which I believe was called the Royal Oak (I think it is now a plant hire shop).

An elderly friend of the family, who was a bridesmaid at Edwin and Irene's wedding, has dated the photo pre-WWI which would make it the oldest family photo I have.

## MP keen to make a name for himself

WEEK in week out I am continually seeing our local MP in this paper. However, I do not actually see him doing anything for this area. He is happy to have his picture every single week to raise his profile, but that is all he seems to do.

He is so keen to be in the local newspaper, creating a name for himself but I have not seen him put this much effort in when he represents the people of Cannock Chase.

When was the last time he said to his friends in Government to stop these devastating public sector cuts that are affecting people all over the Chase? He is not so keen to make a name for himself then. Maybe too busy planning his next headline in the Cannock Chronicle.

## Number crunchers marred festivities

MY biggest gripe about the Jubilee celebrations isn't about the sad people who listen and watch intently waiting for the presenters to make the smallest of grammatical errors then tweet the world thinking they are doing us a service. Neither is it about the hypocritical republicans who shun the monarchy but still enjoy the festivities.

It is about the nerdy number crunchers who tell us how much the extended weekend has cost the country in lost manufacturing. I would say it's a safe bet the UK has the fewest number of bank holidays compared with the rest of Europe so it's sad when this kind of information is released when we are celebrating a once in a lifetime experience.

## Problems caused by two-way traffic

VERY poor signage and bad planning has led to problems in Market Street and Eskrett Street, Hednesford.

Market Street should never have been turned into a two-way and parking is still being allowed which makes matters worse.

There is not enough space for two-way traffic. On several occasions cars are being forced to mount the path. It's a miracle no one has been hurt so far. Surely safety is paramount?

Common sense would have seen Market Street closed at the junction of Eskrett Street and only authorised traffic allowed, such as deliveries, traders and residents to the restricted area.

# Charity's founder picks up entrepreneur award

Newlife charity founder Sheila Brown OBE receives her award for the Ernst & Young Entrepreneur of the Year. THE founder of Cannock-based charity Newlife has been named the Social Enterprise Entrepreneur of the Year Award.

Sheila Brown OBE collected the 2012 Ernst & Young Award for the Midlands region.

The 55-year-old established the charity 21 years ago. Its unique trading company was founded two years later.

Sheila, who used to sell fruit and veg on Cannock Market, started the charity in 1991. Two of her three children have a disability.

Newlife's headquarters is in Cannock, where it operates a clothing

superstore and homewares store. A third retail outlet operates in Uttoxeter High Street.

Sheila - who received her OBE in 2001 for services to child health - said: "I was truly honoured and surprised to receive this award."

## Difference

"I would thank all our partners in our social enterprise including corporate supporters, loyal customers and staff for their part in the success of both the trading company and charity."

"Our daily work makes a difference to the lives of thousands of disabled children. Creating and running a social enterprise that generates the majority

of the charity's funding is both challenging and rewarding."

The awards judges said: "Sheila has a real passion for what she does, is inspiring and authentic. She has continued with a single-minded idea to make disabled children's lives better and has developed a sustainable model so they are not reliant on local authority funding."

Newlife has funded £639,338 of specialist equipment for 432 children in Staffordshire alone.

Stock comes from retailers across the country which they have deemed out of season or slightly damaged. Many retailers sign up as it helps boost their corporate social responsibility.

# When horses were power in the land

A DOG may be considered man's best friend but history, it can be argued, was written on the back of the horse!

By Fiona Carding of the Black Country Living Museum

Man and horses, have, throughout the centuries, been inextricably linked and the equine creature has had a far greater affect upon the course of human development than any other animal.

Horses were the engines of the 1900s and horsepower drove forward the economic might of the Black Country. They were used as

draught animals to haul narrow boats loaded with goods on the canals, drag heavy coal carts and pull trams, carriages, milk floats, delivery wagons and fire engines.

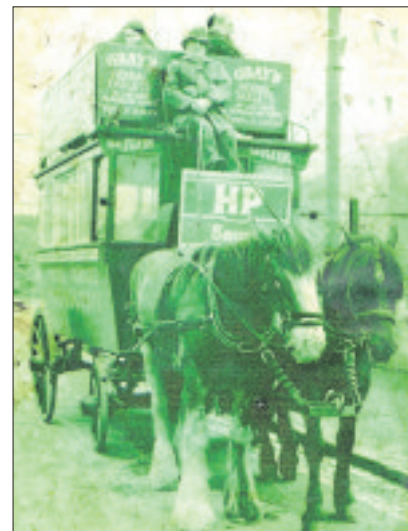

Shire horses and Clydesdales were the 'front wheel' drive articulated lorries of the 20th century!

Half leg ponies, (those that stood around 14 to 15 hands high) were used as cart horses, boat horses, bank horses and in some areas pit ponies. Bank horses (known as bonk 'osses) would stay at the base

of the hill all day ready to haul heavy cargo to the top of the hill - for a modest fee! The tip cart was widely used in those days delivering sand, steel, coal and limestone.

Diane Easthope, horse-handler at Black Country Living Museum said: "One horse had to pull up to three ton of weight. Tip carts had to be loaded carefully - if the weight was too far back it could lift the horse off the ground. If it was too far forward it could push the horse over."

Horse drawn canal boats were used on the waterways - the 'original motorway' system of the Black Country. These were long distance journeys and all the family would be on board. A good horse would cost around £25 to £30 and was often considered more important than the children!

# Scream of the crop as harvest hit by weather

HEAVY rain, plunging temperatures and strong winds are playing havoc at farms across the region with some farmers saying takings are down by 75 per cent.

And with this month set to be one of the wettest Junes ever, things may get even worse.

At Gailey Fruit Farm near Penkridge, the strawberry crop in particular has suffered. The first berries are only now being harvested.

Married couple Ian and Helen Fortescue, aged 52 and 48 respectively, have been selling fruit and vegetables for the past 10 years.

They said they had never experienced such a prolonged wet and cold spell.

The farm shop on their 140-acre site is open for just 12 weeks a year, starting on May 18, so they only have a small window in which to sell their goods.

## Changes

"It's not like manufacturing, if the conditions are not right, that's it," said Mr Fortescue. "It's probably worse for us than some because we don't have poly-tunnels, everything is out in the open to be affected by sudden changes in the temperature."

"We're down 75 per cent on last year's takings in the shop, but it's just not the weather, it could be down to the recession as well."

"When people come here they can get fresh for less, but a lot of people think about things like fuel costs and go to the supermarket - but we feel we offer a better product at a better price."

One of the worst affected fruits has been the strawberry which, in the wet conditions, is susceptible to botrytis cinerea - a common disease that appears as a grey mould.

It's been a similar story for Ian Nichols at Haywood Park Farm in Shugborough. Mr Nichols sells strawberries from mid-June, but has had to delay it

a week. Richard Simkin, from Essington Fruit Farm, in Bognop Road, said his strawberries were beginning to come through well but admitted he was worried about the weather.

He said: "They are about three to four weeks behind last year, but last year was early, we do need a period of dry and settled weather though."

## Couples foster the people to reap rewards

Cheslyn Hay couple Veronica and Trevor Edwards

**TWO kind-hearted couples have been thanked by Barnardo's for opening their homes - and their hearts to children.**

Trevor and Veronica Edwards from Cheslyn Hay and Neil and Ann Innes of Hednesford, currently foster three children aged 11 to 14 through the charity's family placement service. They were among 20 couples to receive long-service awards at a ceremony held at the Black Country Living Museum.

For the Edwards' the move to become foster parents came about almost by accident when 28 years ago, Trevor brought home a teenage boy from work who was homeless. Since then they have offered the opportunity of a supportive family life to dozens of children in care.

"We didn't really think about it," Trevor said. "This lad was homeless and I just needed to do something for him. That one event made us think about fostering properly. It has its challenges but it's so rewarding."

### Wonderful

Becoming foster parents was a conscious decision for the Innes family, but since they started, they have not looked back.

"We have had four children long-term, so it's been wonderful to see them grow up through to adulthood. They do move on but some stay part of the family and stay in touch," said Ann.

Mayor of Dudley Councillor Melvyn Mottram presented both couples with a crystal vase and a certificate.

Barnardo's West Midlands Family Placement service recruit, train and provide ongoing support for foster carers and short break carers. They say there is a desperate need for more black and ethnic minority carers. For more information call 01384 458585.

## Golden couple cruise to 50 years of bliss

Maureen and Cliff Giles celebrate their Golden Wedding

IT WAS love at first sight when Cliff Giles met Maureen Bladon at the grocery store where she worked. The couple later married and have celebrated their 50th anniversary.

Cliff, now aged 74, said: "She had a lovely smile and a nice way about her. I was attracted to her straight away."

They tied the knot on June 9, 1962, at St Mark's Church in Great Wyrley. The couple did not have the money for a honeymoon but plan to make up for it with a Mediterranean cruise later in the year. The pair worked together for a

while, as foam-cutting machinists at Bridgtown Industries in Cannock.

Cliff later went on to quality control before leaving after 17 years to work as chief inspector at Electric Elements in Willenhall. Maureen, 68, said: "He's nursed me through breast cancer, a stroke and deep-vein thrombosis. He's been golden."

They have a daughter, Andrea, 42, and a 16-year-old grandson Edward.

## Pledge over extra police

**EXTRA police officers are being diverted to crime hot-spots, including Cannock, in a bid to curb trouble.**

It comes as a £400,000 project to install crime-fighting cameras was approved.

Staffordshire County Council leader Philip Atkins said county force bosses were dedicating more resources to areas where a police presence was most needed.

The force is currently battling to save £38m over the next four years because

of government cuts. Councillor Atkins was speaking at a council cabinet meeting last Wednesday (June 20) day where a £400,000 project to roll out crime-fighting cameras along 13 major routes was given the go ahead.

## Travelling

The ANPR cameras, which are fitted with automatic number plate recognition technology, are to be installed in a bid to tackle the rising number of people travelling into Staffordshire to commit offences.

Eight mobile camera units will also

roam the streets. The county council is investing almost £200,000 while the police is match-funding the project and paying for the running costs.

Councillor Atkins said: "There are more officers in hotspots in Cannock than there were before."

"I welcome ANPR because it will pick up those coming into Staffordshire from other places."

Councillor Robert Marshall, member for public health and community safety at the county council, said the cameras will be in place by the end of September.

President takes on role again

HAYES GREEN  
WI

THE AGM began with a greeting by president Sandy Hobbs and the usual formalities.

Clarys Richards, a Staffs county advisor, was introduced and a record of the previous month's meeting was read by secretary Elaine Smith and the financial statement, was duly adopted.

Mrs Hobbs gave her annual report, thanking everyone for their support throughout the past year.

Mrs Richards presented the National Resolution—for more midwives. This provoked much discussion, and Mrs. Richards will report the group's decisions.

After nominations and a secret ballot, Mrs Hobbs was re-elected as president.

The institute has several enjoyable events planned but is hoping for good weather – a garden party at Trish's home, a picnic on the Chase, a walk around Castle Ring and lunch after, and a skittles evening.

At this meeting there was a bring and buy sale.

The raffle was won by Sue, while Diane and Sue were the competition winners for the year. The night's winner was June P.

Mrs Hobbs presented attendance certificates to Sue, Irene and Marion and she thanked Mrs Richards for attending the AGM, presenting her with a beautiful flower arrangement.

# Lions Club pays its own jubilee tribute

Rugeley Lions Club members fly the flag for the Queen's Diamond Jubilee

RUGELEY Lions Club paid tribute to the jubilee celebrations with an official Royal beacon. This was a roaring success and was the start of a week-long festival of fun.

Rugeley Lions then went to visit Barbara House, a sheltered housing complex in Rugeley. Lions Welfare chairman Jane Stevenson said: "They enjoyed it very much."

This was followed by a day supporting the

Rugeley Charter Fair which was a celebration of various cultures.

If you would like to join in with the Rugeley Lions celebration please contact the club on [www.clubhouse.org/sites/rugeley](http://www.clubhouse.org/sites/rugeley) or visit the Lions' Facebook page.

## Interest shown in new branch

IT has been such a couple of busy months for Cannock Lions. The club met International President Dr Tam, an extremely inspirational man, at the National Memorial Arboretum.

It was the District Convention and members took part in an Olympic-themed

fancy dress. Graham Stanley won the individual prize.

The Hook a Bag stall sold out at the Community Games day at Cannock and another £600 was raised at a

Newlife jewellery sale. At the St Luke's Church sale, the club had a bric-a-brac table.

Wheels have been set in motion for a Lions Club in Hednesford. Invitations to meet the Lions were posted and 14 people came and showed an interest.

# Fledgling traders pitch in for cheap stall offer

Market manager Matt Williams offers discount pitches for £10

TEN fledgling stallholders snapped up pitches at discounted rates in Penkridge last weekend. The pilot initiative was championed by high street guru Mary Portas.

The traders set up at Penkridge Market on Saturday (June 23) after paying £10 for their stall.

Usual charges start from £25 but fees were slashed for National Markets Day. Market manager Matt Williams said the pitches would otherwise have been left vacant.

"We have got a mixture of people who might be interested in having a permanent stall and people promoting their business for the day," the 30-year-old said.

"These people have all responded to the promotion," he said.

Mr Williams added: "We've no idea at the moment if any of them have set up permanently but there is a Cannock carpet firm which has expressed an interest, depending on how it goes."

Other first-time stallholders included a vintage goods firm, a wood-burning oven seller and youngster known to regulars as 'Del Boy'.

"It's made us a bit of extra money and means people can have a go at trading on a market," said Mr Williams.

The popular market, off Wolverhampton Road, has room for 100 pitches and attracts up to 5,000 people from around the region on its Wednesday and Saturday trading days.

Occupancy is full but with some stallholders away on holiday, it opened up their pitches for last weekend's initiative, Mr Williams said.

## Lamborghini ride

VISITORS to church fete in Rugeley can win a ride in a Lamborghini. The Aventador model will be on show at the St Augustine's fete, in Station Road, on Sunday, July 15. Entertainment will be provided by popular Elvis tribute Mark Clay and there will be the usual games, stalls, refreshments and fun for all the family. It will run from 2-4pm.

# Prospective tenants in demand for farmland

MORE than 30 prospective tenants attended two open days at a farm near Penkridge. Barnfields Farm is being vacated by dairy farmer Gareth Acreman, a tenant there for the last eight years. He is moving to a larger holding.

County councillor Mark Winnington said: "There is high demand for our county farms which we consider an important part of our economy drive as they present a good business opportunity in addition to giving us a return.

"We are always keen to meet people with the right skills and enthusiasm who can demonstrate their ability to run a successful business." Email county.farms@staffordshire.gov.uk or call 0300 111 8000.

# Number of jobless in the county sees a fall

THE number of people out of work in Staffordshire is falling, new figures show.

In Cannock, those claiming Jobseekers' Allowance in May was down by 52 to 2,287, or 3.7 per cent, of the working population. It was the third month in a row there had been a fall. In Lichfield, the total was down 45 to 1,492 - 2.4 per cent.

## Praise by MPs over rail service campaign

A COUNCIL worker from Cannock who has fought for years to boost rail services in Staffordshire has been congratulated by a group of MPs in the House of Commons.

The Government will decide in July whether the £30m electrification of the Rugeley to Walsall line - bringing faster and more frequent trains to Birmingham and boost Cannock Chase's economic growth - will be funded as part of the West Midlands Rail Development Plan.

Council principal planning officer John Morgan, aged 58, was praised during an adjournment debate that was secured in the House of Commons to push the case for electrification.

Speaking in Parliament, Cannock Chase MP Aidan Burley said: "John is a long-time campaigner for the electrification of the Chase Line."

"The work John has done over the years with successive council administrations and Members of Parliament has been far above and beyond the call of duty."

Theresa Villiers, Minister of State at the Department for Transport, added: "It is right to single out praise for John Morgan from Cannock Chase Council."

"Mr Morgan's knowledge of the Chase Line is unsurpassed and he has shown huge dedication over many years in seeking the upgrade he wants to see."

# Coffee morning to be held at golf club

It is being staged on Monday, July 2 between 10am and 2pm at The Chase Golf Club at Pottal Pool. Admission is £2 per person with 100 per cent of the fee going to the charity.

Attendees will receive a raffle ticket for more than 15 prizes and there will be 11 stall holders selling a variety of items.

# Tough challenge for health boss

**HOSPITAL boss Lyn Hill-Tout has faced some challenging decisions since taking over the reins at Mid Staffordshire NHS Foundation Trust.**

Just five months into her appointment the 56-year-old had to stand in front of 300 people at a public meeting and tell them the A&E unit was going to close overnight.

That extraordinary hospital board meeting, in November last year, confirmed the overnight closure of Stafford's A&E from December 1, 2011. It remains shut between 10pm and 8am and will until October at the earliest, due to staffing shortages. It is a decision that Mrs Hill-Tout defends.

"We closed A&E because we couldn't guarantee patient safety. What that showed is that we are prepared to take decisions that might not be popular - we will take those decisions, for the benefit of

patients. An unsafe A&E is worse than patients having to travel an extra few miles." Staff stretched to breaking point, mistakes being made, lives being needlessly lost - that is Stafford's not-so-distant past, and it is a recent history which Mrs Hill-Tout insists that never again must the hospital hierarchy lose sight of patient safety.

## Braced

In October, Robert Francis QC will publish the findings of his public inquiry. The failure of regulatory bodies to act over poor care at Stafford will draw the sting of his report, but Mrs Hill-Tout is braced for her hospital to take another big hit.

"Like everybody else I have got a lot of anticipation about the Francis report," she says. "Although it's about the regulatory systems which were in place, inevitably we are going to get some criticism."

The scandal surrounding poor care at the hospital

not only affected staff but the whole town. There is a general feeling that it is time to move on - to be proud in the hospital once again.

But Mrs Hill-Tout said: "We are getting support. We are starting to make real progress on mortality rates, and against other targets. We have got real, hard evidence that we have moved on."

But the closure of A&E at night is a reminder of past failings and there is a big concern that its reopening will be delayed indefinitely.

Leading political figures, including the MPs for Stafford and Cannock, are calling for a reopening date to be set and honoured. The initial deadline to restore round the clock care at A&E was missed, as was the revised target in June.

"The difficulty is, if you set a date people take that as a benchmark," said Mrs Hill-Tout. "It was ambitious but if we hadn't set a date that would have set a hare running about A&E possibly closing for good."

Mid Staffordshire NHS Foundation Trust chief executive Lyn Hill-Tout

## NEW FOOTBALL SHIRTS?

TELL US WHY, AND THEY COULD BE YOURS .....

Calling all football clubs seeking kit sponsorship for the 2012/13 season! Whether you're in a league side, belong to a local youth club or even play for your favourite pub team, The Hawkesyard Estate wants to hear from you.

The Hawkesyard Estate, based on the former Armitage Park on the outskirts of Rugeley is looking to sponsor a new kit for a local team for the 2012/13 season and invites teams of all ages and levels to get in touch and tell them why they feel that their team deserves a brand new kit for the new season.

The winning club will receive new shirts, shorts and socks for the 2012/13 season, courtesy of The Hawkesyard Estate and Golf Club.

"We're keen to work with a football

team in the Rugeley/Lichfield area and would love to hear from anyone who feels that their team deserves to win some new kit before the new season gets underway at the end of the summer" said Mary Cooper from the Hawkesyard Sales Office.

To be in with a chance of winning new kit and sponsorship for your club, email The Hawkesyard Estate on [info@hawkesyardestate.com](mailto:info@hawkesyardestate.com) by Monday 23rd July with your club's story and why you and your team should be considered for sponsorship. ENDS 20/06/12

# Burntwood

Burntwood is a town in Staffordshire, England, lying in the Cannock Chase area approximately 4 miles (6 km) west of Lichfield. The town had a population of 25,674 at the time of the 2001 census and forms part of Lichfield district. The town forms one of the largest urbanised parishes[2] in England. Samuel Johnson opened an academy in nearby Edial in 1736. The town is home to the smallest park in the UK, Prince's park, which is located next to Christ

Church on the junction of Farewell Lane and Church Road. The town expanded in the nineteenth century around the coal mining industry.

Areas of Burntwood are Boney Hay, Chase Terrace, Chasetown, Gorstey Lea and Burntwood Green. Nearby places are Brownhills, Cannock, Cannock Wood, Norton Canes, Gentleshaw, Hammerwich and Lichfield.

In September 2009 it was announced that a Burntwood man, Terry Herbert, had discovered a hoard of Saxon treasure with a metal detector in a field in the adjoining village of Hammerwich. [3] Known as the Staffordshire Hoard, it is the largest hoard of Anglo-Saxon gold yet found.

# Parliamentary privilege as curry house up for cup

## School's own torch relay

Abbey Copson, aged 11, Louie Gough, 13, and Philip McLaughlin, 10, celebrate National School Sport Week with their own torch relay

SCHOOL pupils held their own Olympic Torch relay to mark National School Sport Week.

Six pupils representing Kingsmead Technology College's houses - Littleton, Uxbridge Valley, Hayes, Coppice, and Wimblebury ran with an Olympic torch around five of its feeder schools.

They ran from their school in Kings Avenue, Hednesford, to Five Ways Primary, in Langholm Drive; Gorsemoor Primary, in Gorsemoor Road; Hazel Slade Primary, in Cannock Wood Street; West Hill Primary, High Mount Street, Hednesford and St Peter's Primary, in Reservoir Road.

A CANNOCK Indian restaurant hopes to curry favour with MPs after winning through to the grand final of a contest being held at the House of Commons.

The Dilshad, in Cannock Road, Chads Moor, has already won a clutch of awards and has now made it to the grand final of the Tiffin Cup after being nominated by Cannock Chase MP Aidan Burley.

It beat off competition from 89 other restaurants from across the UK to represent the West Midlands in the grand final, which was taking place yesterday (Wednesday). They were facing 12 other restaurants representing Northern Ireland, Scotland, Wales and Greater London.

The competition was being held at Bellamy's restaurant in parliament with celebrity chef Ainsley Harriott among those judging a chosen dish from each competitor.

The competition not only celebrates the diversity of South Asian food in the UK but also raises money for the chosen charity of the Tiffin Club which runs the competition. This year it is World Vision which works globally to speak out for children affected by injustice and poverty.

Dilshad owner Tony Uddin said they had decided what dish they were going to cook but were keeping it a closely guarded secret.

He said: "We are delighted to have made it to the final of such a prestigious competition and we are honoured to have the opportunity to go and cook at the House of Commons. The Tiffin Cup is such a prestigious competition and we will do our very best as we represent the West Midlands on the day."

Mr Burley said: "I am thrilled the Dilshad has made it through to the final. Having sampled the food on a number of occasions I know it would be a worthy winner."

# Big names head up bid to revitalise town shopping

**BIG-name chains like Debenhams and Marks & Spencer are vying for places in a new-look Cannock town centre.**

Council chiefs across Staffordshire and the Black Country have put together multi-million pound visions of a vibrant future mixing shopping with bars and eateries.

Huge investment of almost £400m is being pumped into revitalising high streets across the region. The bright outlook comes despite continuing tough conditions for shops.

In Cannock, M&S, Debenhams and Next are at the forefront of ambitious plans to transform shopping.

Bosses want to attract "aspirational" store groups to a new 150,000sq ft retail park and are in talks with developers about the potential of the proposed site, a 200-space car park in Beecroft Road.

The main option for the site is large, modern stores built around a central public area.

Retail-leisure space would be created over a number of floors. The adjacent subway would also be enhanced to

The Beecroft Road car park, Cannock, where a Debenhams and M&S could be built

improve links to the town centre. Cannock Chase District Council hopes to lure big names to the site by offering much larger stores than currently exist in the town centre.

### Renovate

Compulsory purchase orders would be used to acquire any surrounding land needed for the larger shops.

Meanwhile a town centre improvement fund has been established by the

council. Some of the £300,000 cash pot will be used to renovate bus stations in Cannock and Rugeley.

Council leader Councillor George Adamson said the time was right to press ahead with the ambitious scheme.

"The people of Cannock have been asking for years why we haven't got an M&S in Cannock, why we haven't got a Debenhams. It will be great if they come."

# Hednesford

IN around a month's time, a second monument to remember Hednesford's mining heritage will be unveiled. An 8ft Davy Lamp has already been erected in the town. On April 28, a commemorative wall featuring the names of miners inscribed into bricks - and their pit they worked at - will be dedicated.

Hednesford was an important coal mining community for more than a century and Mike Mellor, treasurer of Chaps (Chase Arts in Public Spaces), which is behind the project, said it would be a fitting tribute to the old colliery workers.

Today, it has a population of more than 16,000 people, but it is a town steeped in history. From 1914-18, two huge army training camps were built and more than 250,000 British and Commonwealth troops passed through destined for the Western Front. In 1938, a Royal Air Force Training camp was established. This became known as RAF Hednesford and is now the site of the Cannock Chase Visitor Centre at Marquis Drive. Further history of the town can be gained from the Museum of Cannock Chase, in Valley Road, a popular tourist attraction, while the picturesque Hednesford Hills and its Raceway still welcome thousands of visitors each year.

The town is currently undergoing a massive regeneration project. The Hednesford Gateway scheme will have a Tesco supermarket at its heart with other retail outlets forming part of the redevelopment. Gala Bingo at the Lightworks shopping precinct already draw in customers from within the town and surrounding areas. The town is also the home of Hednesford Town FC, who put the area on the map with a run to the Fourth Round of the FA Cup back in 1997.

Ben Wishaw

**The Hollow Crown – Richard II** BBC2, 9pm

The BBC continues its Shakespeare season by bringing us four star-studded adaptations of the Bard's best-loved loved history plays, grouped under the title "The Hollow Crown". If you think that title was chosen to make them sound a bit more like Game of Thrones, you could be on to something. But as these new films will show, Shakespeare's plays certainly have enough intrigue and action to compete with the cult US drama. They chart the rise and fall of three kings who helped to shape Britain, beginning with Richard II (Ben Whishaw).

**Match of the Day Live: Euro 2012 Final BBC1, 7pm**  
Gary Lineker presents coverage of the final at the Olympic Stadium in Kiev, where the winners of the 14th European Championship will be crowned. After 23 days of competition, consisting of 30 matches, just two teams remain from the 16 that had aspirations of not only competing in the conclusion to the tournament held in Poland and Ukraine, but of triumphing in it. History points to this match being a close encounter, with only one final having been settled by more than a two-goal margin.

# Don't hang around when dead-heading

**REGULAR watering and feeding are essential to keep hanging baskets and decorative patio containers looking good.**

Find time to pick over your containers to remove dead flower heads. This will encourage more flowering.

Take extra time dead-heading fuchsias or they will produce seed pods the size of grapes using up plenty of plant energy in the process.

Similarly, don't be frightened of cutting back long trailing plant material that is showing bare flowerless patches.

Some trailing petunias, bidens and nasturtiums are inclined to rampage but can be cut back quite hard without harming the plants.

## Covenient

The recent heavy rain has put pay to serious drought. So feeding containers once a week with the hose-end Miracle-Gro Liquefeed system is back on the agenda as quick and convenient.

Traditionalists can still dissolve the blue crystals in a watering can and wet the compost. But to save water, always fit a drip tray or saucer under the pot. This will allow the compost to suck back any excess water without it running to waste.

A hose-end feeding system allows you to treat a whole garden in just a few minutes.

Just fit to the feeder to the end of a hose and screw in a bottle of concentrated plant food.

You can then simply water your garden with three different spray patterns and decide when to add the nutrients to feed

Remove dead flower heads to encourage more flowering

your plants over the leaves and around the roots. It dissolves the right amount automatically.

Keep your gravel paths free of weeds with a treatment of Pathclear Weedkiller PC or the ready-to-use Pathclear Gun! Weedkiller.

These special weedkillers for gravel paths and drives controls the weeds that are already present and prevent the growth of germinating weed seeds for up to three months.

# SsangYong produce sub £20k crossover

**SSANGYong is adding a new low priced 4x4 model to its recently introduced Korando crossover range – the Korando SX.**

Styled by Italian car designer Giorgetto Giugiaro of Ital Design, this latest addition to the Korando line-up is covered by the standard five year unlimited mileage warranty available on all SsangYong cars and priced from just £18,795 on the road.

Korando SX is powered by a new low CO2 version of the Korando power unit. Developing 149ps@4,000rpm, this advanced 2.0 litre four cylinder turbo diesel engine produces 360Nm of torque with CO2 emissions reduced to 157g/km, while providing a full two tonne towing capability.

The SX features the Torque on Demand 4x4 system fitted to EX models, and like all Korandos is equipped with ESP with Hill Start Assist. Its specification is similar to the Korando S – which also now features this new engine – but in two wheel drive form brings reduced CO2 emissions of 147g/km.

It comes equipped with a number of luxury touches including roof rails, tinted glass and rear parking sensors, while inside there is a leather covered steering wheel and gear shift, cruise control and a Kenwood MP3 CD & RDS radio with iPod & Bluetooth, remote audio controls and six speakers.

"The new SX is in direct response to feedback from our customers who said they wanted a 4x4 crossover for less than £20,000," said Paul Williams, CEO of SsangYong Motor UK.

"The result is a car that is extremely well equipped, and at a great value price of £18,795 is 15 per cent lower than its nearest direct competitor.

## Reputation

"SsangYong has an enviable reputation for building extremely competent off-road vehicles, and this new Korando draws on that pedigree – it's an honest, reliable and highly capable vehicle, and will outperform many more expensive cars, whatever the weather."

Added Steve Gray, marketing and communications director: "As a crossover, Korando provides the perfect solution to meet virtually every motoring requirement.

Several cars in one, it's the family hatchback for the daily school or commuter run; a load lugger for that long distance cross-country dash, and the perfect tow car for hauling the caravan or boat to your summer holiday destination, thanks to its two tonne towing capacity.

"With its high driving position and all-weather, off road ability that many drivers are looking for – particularly after several snowy winters, we are confident of the SX succeeding."

Along with its affordable running costs, five years unlimited mileage warranty, comprehensive specification and SsangYong's advantageous pricing, we believe we have the trump card in a growing market!

The Korando SX features a Torque on Demand four wheel drive system which constantly monitors the level of grip available and distributes power to the wheels that need it most. Under normal driving conditions the engine's torque is directed to the front wheels so the car runs with the efficiency of a family hatchback.

However, if the front tyres begin to lose traction, power is automatically fed to the rear wheels to ensure safe, stable and dependable progress is maintained with grip from all four wheels.

An all wheel drive lock mode is also provided to ensure a 50/50 spread of torque between the front and rear wheels at speeds up to 25mph, essential for when low speed traction and control is needed such as when driving up a slippery track or off a sodden field when towing a caravan or horse-box.

Cotswolds people carrier – the thatchback harks back to more genteel times

# New book highlights a lighter look at motoring

FROM the writer of The Chap Manifesto comes the ultimate illustrated guide to the art of motoring in exquisite style.

If you've ever sat in a 15 mile tailback on the M25, or contemplated the frightening geometrics of certain roundabouts outside Swindon, you might have concluded that the romance of motoring belongs to yesteryear. But it doesn't have to be like this.

Just because most contemporary car designs lack aesthetic finesse and the majority of our fellow road users often exhibit behaviour no better than slaving beasts, it doesn't mean that those of an independent frame of mind, with poetry in their soul and vim in their trousers, shouldn't take a stab at reclaiming the whole adventure of motoring as the sanctified mission of the gentleman.

## Tiresome

From delegating the tiresome maintenance of your vehicle, to sartorial advice for the finest motoring get-up, and using your automobile to woo the ladies, Vic Darkwood unleashes his new manifesto for gentlemanly driving will please the unsuspecting public.

Darkwood's unique artistic flair brings alive this entertaining and quirky guide, to appeal to both petrol heads and those with a strong motoring aversion.

It's the ideal gift for anyone who likes cars and the quirky.

- The Gentleman's Guide to Motoring By Vic Darkwood – AA Publishing, £9.99.

One for the ladies' man – a real pickup truck – one of Vic's practical designs!

#### STAFFORDSHIRE COUNTY COUNCIL ROAD TRAFFIC REGULATION (SPECIAL EVENTS) ACT 1994 ROAD TRAFFIC REGULATION ACT 1984 (AS AMENDED) THE OLYMPIC TORCH RELAY AND GREAT WYRLEY CARNAVAL VARIOUS ROADS IN THE COUNTY OF STAFFORDSHIRE

**NOTICE IS HEREBY GIVEN** that the Staffordshire County Council on 26 June 2012 made an Order under Section 16(A) of the Road Traffic Regulation Act 1984.

The effect of the Order is to prohibit any vehicle from proceeding along or parking, waiting, loading or unloading along those roads as specified in Schedule One that comprise the route of the Olympic Torch Relay and up to 20 metres into each junction with those roads. In addition, in streets associated to the Olympic Torch Relay and Great Wyrley Carnival event, traffic will be prohibited at times as specified in Schedule Two and parking will be prohibited at times on roads specified in Schedule Three.

The Order is necessary to facilitate the safe hosting of the Olympic Torch Relay and Great Wyrley Carnival to support the police operation in maintaining the safety of all road users along the route of the events and in associated streets. Any vehicle being used in connection with the execution of the event; or being used for police, fire brigade, doctors responding to an emergency or ambulance purpose will be exempt from the restrictions contained in the Order.

The Order will come into effect on Friday 29th June 2012 and will remain in force until the Olympic Torch Relay has passed and the Great Wyrley Carnival has finished.

It is anticipated that road closures will be implemented on the roads specified within Schedule One and Two between the hours of 10:00hrs and 13:00hrs on Saturday 30th June 2012.

It is anticipated that parking, waiting, loading and unloading will be prohibited along the streets specified in Schedule One and Schedule Three between the hours of 20:00hrs on Friday 29th June 2012 and 13:00hrs on Saturday 30th June 2012. Vehicles that remain stationary on the route during these times may be removed at the direction of the Police, at the vehicle owners cost.

The Order will not, at any time, prevent access of pedestrians to premises situated on or adjacent to any road to which the order relates, or to any premises only accessible to pedestrians from such a road.

A map showing all of the roads involved may be inspected during normal working hours at the office of the Director of Planning & Deputy Chief Executive: Staffordshire County Council, Staffordshire Place No. 1, Tipping Street, Stafford ST16 2LP

## Delighted Dutton grabs the Thai title

WALSALL-BASED Thai boxer Jason Dutton has captured the vacant IKF English super-heavyweight championship.

Dutton triumphed with a victory over Cambridgeshire-based fighter Bart Zyla in Birmingham.

Dutton, aged 39, recorded his 12th victory in 15 fights at the Tower Ballroom in Edgbaston.

Victory came when Zyla had to retire with a foot injury in the third round.

Dutton is from Sedgley but trains in Walsall at Impact Thai Boxing.

He was competing on a bill organised by Birmingham-based K-Star Promotions.

His delighted trainer David Cole said his protégé had been in control at the time when Zyla was forced out of the fight.

"Jason had been controlling the bout with jabs and teeps (a form of front kick)," said Cole.

"He also threw a couple of head kicks which didn't connect fully but scored well. He was in control without a doubt."

## Cashing in with the Dragons

PUPILS from Brownhills School in Walsall have won a bid for £500 to set up a girls-only boot camp, to help local residents keep fit.

The funding was secured at a "Dragons' Den" style event in Birmingham, where 14 Midlands-based groups battled it out to secure funding for a sports-related business idea.

The event was organised by The Co-operative Membership and Sports Leaders UK.

Young people aged 16-21 from across the region were invited to apply for a place at The Pitch earlier this year.

They had to submit a bid on how they would use the £500 prize to build on existing sports projects or start their own new initiative.

The finalists delivered their bid presentation to a panel of "Sports Dragons", including Ranjit Singh, membership manager for The Co-operative, and Richard Shenton from Sports Leaders UK, in front of an audience.

Steve Bull, Mel Eves, Alan Kennedy and Steve Kindon who were at Bar Sport for the Euro 2012 quarter-final clash between England and Italy

# It's a knight to forget for fans as England pay penalty

**PATRIOTIC fans who packed out a top Cannock sports venue experienced penalty shoot-out heartache yet again as England crashed out to Italy.**

Bar Sport and The Premier Suite was packed out for the game as nearly 1,000 fans crammed into the venue praying for an England win.

Upstairs in the venue's Premier Suite Wolves legend Steve Bull was joined by former Liverpool star Alan Kennedy.

Bull played 13 times for England scoring four goals while Kennedy also played twice for his country. Former Wolves winger Steve Kindon was compere for the event.

Around 20 patriotic Italian fans had booked seats in the Premier Suite and were waving their country's flag and cheering their nation on.

Singer Tony Fellini performed songs in both Italian and English to build up the atmosphere ahead of the game.

Bull and Kennedy gave their analysis of the match as the nail biting game unfolded.

And it was agony yet again for England fans as the two Ashley's - Young and Cole - missed their penalties and saw Alessandro Diamanti fire home past Joe Hart. The winning penalty was greeted with dismay from the England fans but turned the small throng of Italian supporters ecstatic.

### Fantastic

Scott Murray, owner of Bar Sport and The Premier Suite, was disappointed with England's defeat but said it had been a fantastic two weeks.

He said: "It was a huge shame that we had to bow out of the competition yet again on penalties but I think fans have really enjoyed the tournament.

"It was fantastic to get so many legends of football to Bar Sport and The Premier Suite and I think everyone who has come to the venue has had a brilliant time.

"Let's hope we can get through the World Cup qualifiers so we can do it all again in two years time."

The venue had already welcomed past masters John Aldridge, Wilf McGuinness and Duncan McKenzie, who appeared at the bar for England's group games.

Bar Sport and The Premier Suite has welcomed legends of the game to the venue in the past during major tournaments including 1966 World Cup heroes Nobby Stiles, Roger Hunt, Norman Hunter, Gordon Banks and George Cohen.

## Full-back Carr is off radar at Wolves

WOLVES have dismissed speculation that they are considering signing Birmingham captain Stephen Carr.

The former Tottenham and Newcastle right-back, who turns 36 in August and is out of contract in four days' time, has been linked with both Wolves and Burnley.

Carr, who skippered Blues to their 2011 Carling Cup triumph, won 44 caps for Ireland, many of them under former Molineux chief Mick McCarthy.

But the club are looking to recruit players who fit the 'young and hungry' profile and have dismissed the speculation.

Chief executive Jez Moxey said: "It's not true - there's no interest from us in signing Stephen Carr."

Wolves are not even targeting a right-back this summer. Kevin Foley and Ronald Zubar are set to contest the berth next season and Matt Doherty is one for the future, while Richard Stearman can also play there.

New boss Stale Solbakken is eyeing centre-backs to improve Wolves' problematic defence. But he may have to sell first.

## Woffinden is poised for return

SPEEDWAY star Tai Woffinden is poised to make his Wolves comeback on Monday.

The 21-year-old has been sidelined since May 14 after breaking the scaphoid bone in his wrist in a smash with Ryan Fisher at the Gary Peterson Memorial meeting.

The bone was pinned, but a scan this week was crucial to Woffinden's season - a campaign-ending bone graft was the alternative had progress not been made.

But Woffinden, speaking minutes after getting the specialist's verdict in Derby, said: "It's pretty good."

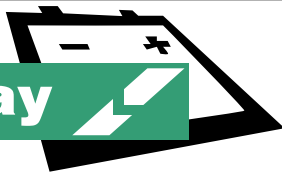

"He said it's healing - not healed, but healing."

"It's OK for me to start riding again, but not racing. But if I can ride, I can race."

Had Woffinden not returned, club owner Chris Van Straaten had threatened a rebuild with No.1 Freddie Lindgren the only rider whose place was safe.

## Penkridge return to winning ways after close fight

**Penn 136, Penkridge 140-8.**  
**PENKIDGE** firsts returned to winning ways in Birmingham League Division Three with a close-fought victory over Penn.

Winning the toss, Penkridge soon had the visitors in trouble with wickets falling at regular intervals. Shafiq Ahmed was the pick of the bowlers, claiming 3-23 off his 12 overs.

Roger Weston, Mo Hassan and Laeq Chishtii all took two wickets apiece as Penn were dismissed for 136 in the 47th over.

In reply, Penkridge were soon in trouble at 30-3, but a good partnership between Rana Hassan (61) and Chishtii (25) seemed to have put the match beyond Penn's reach.

However, to their credit the visitors came roaring back with four wickets in quick succession to leave Penkridge reeling again at 116-7.

An eighth wicket fell but Key Baker (nine not out) and Roger Weston (five not out) saw Penkridge home with two wickets to spare to maintain their lead.

**Penkridge 129, Penn 130-3.**  
**Penn won by seven wickets**

The seconds were comprehensively beaten by Penn. It was the team's second defeat of the season.

Asked to bat first, Penkridge were soon in trouble. Only Richard James (44) and Matt Jenkinson (27) could make significant contributions as they were bowled out for 129 in the 50th over.

In reply, Penn were never in trouble. They cruised to a seven-wicket victory in the 41st over.

**Penkridge 237-9, Lichfield 107-5. Draw**

The thirds continued their unbeaten run but were left frustrated as they collected a winning draw.

The home side were put in and posted a competitive total of 237-9 in their 50 overs.

Mohammed Shafiq (80) and Zahoor Iqbal (89) were the main contributors for Penkridge.

Lichfield blocked out from the opening overs in an attempt to secure the losing draw.

In the end, Penkridge were left frustrated as Lichfield's reply petered out to 107-5 off their 50 overs.

# World-class touch for victorious squad

Burntwood Dragons display trophies after a successful campaign in the Devon Challenge Cup

YOUNG footballers from Burntwood Dragons have been rubbing shoulders with a World Cup legend.

Burntwood sent an under-12 and an under-15 team to the R&T Devon Challenge Cup.

And the sides were presented with awards by 1966 World Cup winner Martin Peters.

The under-12s, in a group of eight teams, won all their games bar one and missed out on a place in the final on goal difference.

However, they did win the best sporting team award as a tribute to the impeccable behavior of their players and supporters.

## Burntwood Dragons

The under-15s, again in a group of eight, won five, drew two and lost one.

That was enough to get them to the final where they played a strong West Midlands side, Rowley Rangers.

The Dragons took the lead through a fine Curtis Smallman goal, but Rowley equalised. Eventually the game went to penalties where Burntwood squeezed home 5-4.

■ The under-11s (finishing school year five) are looking for players. Training is on Tuesday (6-7pm) at Coppynook Field, Hammerwich Road. Call 07967 317 479 for details.

Bowler Noel Burrows

## Burrows favourite for bowls top spot

TOP bowler Noel Burrows heads the list of finalists for the Frank Turner Memorial event on Saturday.

Burrows has won pretty much every major honour going in the sport, including two All England titles. He will be a firm ante-post favourite for the £600 event at Chadsmoor Progressive WMC (6.30pm).

The competition, sponsored by Jenningsbet, is the Midlands' first over-60s competition open to both men and women.

Organiser Mel Evans said: "It has proved a very popular event with all 64 places filled in less than two weeks."

"It is a fitting tribute to Frank, who was well respected throughout the bowls scene."

Top prize for the event is £200 plus the Frank Turner Memorial trophy.

Draw: Dave Murray (Windmill) v Barry Kirk (Stoke), Clive Pittaway (Windmill) v Alan France (Stoke), Keith Beaman (Willenhall) v Phil Owen (Rugeley), Noel Burrows (Stockport) v Stuart Harrie (Haunchwood).

## Hunt is on for players

LOCAL football clubs are looking for young players.

Norton Canes FC have vacancies for players in a well-established club with good facilities and coaching for age groups.

Players are required for ages under-seven, under-eight, under-nine, under-11, under-12 and Sunday league.

The club are also looking for children aged four and over for their Saturday morning academy. For more details, call 07816 351 293 or 01922 512291.

Cannock Town Juniors FC are looking for a defender for next season's under-11s, now in year five. Contact 07949 088036 or 07725 550504.

# Firsts left humbled as visitors coast to a win

**Cannock 82, Stratford-upon-Avon 85-1.**

**Stratford won by nine wickets**

CANNOCK firsts slipped to a humbling home defeat against Stratford-upon-Avon in Birmingham League Division Two.

They won the toss and opted to bat. But although four of their top five got a start, none of them could go on to a score that would help their side to a competitive total.

Sean Collings top-scored with 26 but Peter Wilson's startling figures of 6-7 were the more relevant statistic.

The visitors coasted home in the 23rd over, Wilson continuing his good work with 30 not out while opener Rob West was unbeaten on 34.

Andy Hawkins (1-35) took the only wicket to fall.

**Burntwood 73, Cannock 74-3.**  
**Cannock won by seven wickets**

Cannock thirds recorded a comfortable victory at home to Burntwood that keeps them in touch with the Staffordshire Clubs Division Three leaders.

After winning the toss yet again Cannock chose to field first and opening bowlers Ant Wood and Tom Bull soon put their side in charge. Miserly opening spells from both bowlers saw Wood return figures of 2-20 from 15 overs and Bull 2-10 from seven.

With the top order gone it was left to Andy Twigger and Nic Bandurak to mop up the rest.

This they did, taking the last five wickets in just six overs as Twigger finished with 3-5 and Bandurak claimed 2-2. An early

## Cannock CC

setback saw Cannock reduced to 7-2 in reply.

But 45 from 36 balls by Bandurak rapidly took the game away from Burntwood, his innings containing five sixes and three fours.

Soon after Elliot Horton (18 not out) hit the winning runs to give Cannock victory by seven wickets.

**Newport Colts 43, Cannock Sunday Colts 46-0. Cannock won by 10 wickets**

Cannock's Colts coasted to an emphatic 10-wicket victory at home to Newport to stay top of the league.

Two downpours cut the game to 25 overs.

Fielding first, Cannock soon took the initiative and the constant fall of wickets saw the Newport innings close in just 20 overs at 43.

Ollie Harris and Lewis Fletcher both returned figures of 2-5 with Sam Punia (1-2), Jacob Newport (1-5) and Tom Hinks (1-12) all among the wickets.

Cannock hit their target in just the 10th over with Dan Wood and Ryan Peach both scoring 21 not out.

## Cricketers shine through to reach county final

All smiles from the St Luke's Primary School team who have got through to the county Kwik Cricket final

YOUNGSTERS at a Cannock school have been given the chance to shine – and took it by reaching a county final.

The nine-strong Year Six team from St Luke's Primary have reached the Staffordshire-wide Kwik Cricket final at Keele University after coming through two previous heats against

schools from the Cannock and Rugeley areas.

Marion Fleet, of the New Penkridge Road school, said the team's success owed much to the Chance to Shine programme, which offers coaching to schools in conjunction with Cannock Cricket Club. The cricketers will be

joined for the Community Sports Partnership finals day on Tuesday by the Years 3/4 tag rugby team and the netball squad from Years 5/6.

Mrs Fleet said: "We like to give all our children the chance to compete and we have had a lot of sports success of late."

## Towns are in the race at national six-a-sides

CANNOCK and Burntwood will both challenge in the national six-a-side championships next month.

The two have so far entered 15 teams in the tournament between them.

The Pavilion on Moor Lane in Birmingham will stage the one-day tournament on July 7.

Organisers have made room for 256 teams to compete in what could be the biggest-ever six-a-side tournament in the country held on one day.

The teams will be battling for the £10,000 Freebets Cup, a massive 5ft solid silver trophy, as well as a holiday to Mallorca for the whole team.

In addition, the event will be used to select the players that will form the first-ever England squad for the European football tournament.

Scouts will be running the rule over players before the 15-man squad is picked.

The excitement is building amongst local teams ahead of the July date.

Teams will try to overhaul last year's winners from Uxbridge, who are defending their title.

One of the favourites to top them from taking the title in 2012 are the Poetry in Motion outfit.

Anyone who wants one of the very last spaces for the tournament or wants more information can visit the website at [www.national-tournament.com](http://www.national-tournament.com).

## Hawkins hit the spot for tournament

HAWKINS SPORTS are celebrating success in the recent Burntwood football tournament.

And they showed England how to do it from the spot as their winning team took both the semi-final and final on penalties, after a goalless draw in each game.

Hawkins entered two under-10 sides, the other one going out 4-2 to Burntwood Dragons in the semi-final.

The winning Hawkins side beat Stafford Soccer School 3-2 on penalties in the semi-final and went on to lift the trophy by converting all their spot-kicks in the final shoot-out, winning the tie 6-5.

Hawkins Sports are currently looking for a sponsor for the coming season to enable them to purchase a full kit.

Anyone interested should call 07786 632380.

## Capture of trio allows Clarke to rejoin Pitmen

Hednesford's Phil Clarke

HEDNESFORD boss Rob Smith has revealed how landing three players from the north-west this summer has enabled Phil Clarke to make his return to Keys Park.

Clarke was reluctantly let go by Smith last season after problems getting to and from the club for the midfielder, who is based in Liverpool and does not drive.

But the capture of Neil Harvey, Aaron Rey and Sam Barnes - who have all joined after playing for nearby Marine - gives Clarke a 'car club' to join for next season.

And that played a factor in the manager's decision to re-sign the 23-

by Craig Birch

year-old just eight months after he left for league rivals Burscough, who were relegated in April.

Smith said: "Phil is a player I rate very highly and I did not want to see him go last season.

"But he does not drive and catching numerous trains, three times a week, just became too much.

"Now he can get lifts with the other lads, so it was a no-brainer."

It will be destination Keys Park for Clarke, Harvey, Rey and Barnes on Sunday as they look to be the driving force when the players

report back for pre-season training.

They join Nantwich striker Michael Lennon and returning ex-Pitmen duo Dave McPherson and Alex Melbourne in the revamped Hednesford squad.

None of them will be allowed to cruise as Smith looks for them to hit the ground running ahead of the start of the Evo-Stik Northern Premier League campaign.

And Smith has not give up hope of further new arrivals by the time his side play their first pre-season friendly at AFC Wulfrunians on Tuesday, July 10.

He said: "We have four sessions of

very intense physical work before the games start.

"I am hoping to have one or two new faces in by then but we are in no rush. We have still got plenty of time until kick-off.

"We will keep something spare in case someone comes along.

"I must have clocked up thousands of miles and had over 20 meetings with players, as I am sure all managers have.

"This is the busiest time of the season for me and it can be very draining at times.

"But we must be patient to get the right players in."

## Egan cheer for ex-boss Charlie at boxing bill

CANNOCK'S fighting footballer Dave Egan was cheered on by his former Chasetown manager Charlie Blakemore as he took his second win as a pro boxer.

The popular welterweight had more than 200 fans on hand for the show at Wolverhampton Civic Hall last Friday. But the 28-year-old had a problem when his scheduled opponent, Welshman Ray Akhtar, who pulled out the day before the fight.

Bulgarian-born Londoner Danny Dontchev stepped in at less than 24 hours' notice and was ill-prepared to press the issue with Egan, who was forced to chase a fight.

A right hook to the body was the pick of Egan's work but some muddled offence left Dontchev hobbling back into the corner nursing his left knee at the end of the third of their four rounds.

Dontchev was later dumped on the canvas by what was ruled to be an over-exuberant shove by a frustrated Egan, who recorded back-to-back shut-out 40-36 points wins.

Just a month earlier, Egan had made his pro debut and took another large following to Walsall Town Hall on May 12, where the former ABA Novice Midlands champion beat Matt Seawright.

# CHASETOWN RETAIN GOALKEEPING BASE

**CHASETOWN manager Craig Harris believes his goalkeeping berth will be one of the strongest in the division next season after retaining the club's three shot-stoppers.**

The Scholars boss has revealed that both of last season's custodians, Ryan Price and Lee Evans, have both agreed to stay despite relegation from the Evo-Stik Northern Premier League to Division One South.

And Harris will also be signing the club's hot prospect, Mariusz Kiesel, to league forms. The Polish teenager will join the squad for the start of pre-season training on Sunday.

The 17-year-old, who is based in Great Barr, was on trial at then-Championship side Coventry in January and made a one-off first-team debut in March.

Kiesel will get the chance to learn from the experienced Price, 33, who will be starting his fifth season at the Scholars Ground alongside his immediate rival.

Evans is in his second spell with the club and fought for the jersey with Price after his return from Romulus in March.

The 29-year-old has also served Stafford Rangers and AFC Telford since leaving Chasetown for the first time in 2009.

With that in mind, Harris has declared "he's no No. 2" and expects an in-house battle between the sticks for next season.

He said: "There isn't going to be a No. 1 or No. 2, they have both got to fight it out, as far as I am concerned.

"But Ryan staying is great news for us, he's a top goalkeeper at this level, one of the best I would say.

"He's a very focused lad

by Craig Birch

who is ambitious and determined and he's always been an excellent trainer.

"That was one of my top priorities, but I am delighted to have both him and Lee on board for next season."

Kiesel has been earning rave reviews after coming through the club's academy structure to their highly-successful reserve team.

The Scholars' second string won the double last season and several of that side will be invited by Harris to train with the first team.

The new boss, who arrived last month, is keen to see "homegrown" players in the starting line-up.

He said: "We like Mariusz and he will be put on league forms for next season, along with joining the squad for pre-season training.

"We will be looking to get him some first-team action, as well; he's only young but the coaching staff have told me good things.

"If players apply themselves right, they can progress here and that's something I will be looking at closely.

## Seventh heaven for father and son players

RUGELEY'S third annual 'sevens' contest was bigger than ever with 13 teams and 150 players competing at St Augustine's field.

The event is now the largest of its kind in Staffordshire was sponsored for the first time by law firm Ansons LLP.

Teams from across Staffordshire competed last Saturday including first time entrants from Denstone College, Burntwood, Stafford and Wheaton Ashton.

They were joined by Cannock, defending their title, Barton-under-Needwood and Eccleshall.

Stafford College and the Welsh Wizards were both making their third appearance in the tournament with hosts Rugeley.

The home side got off to a mixed start with their A team losing but their B side winning against Stafford College.

The knockout stages were very competitive with tense semi-finals, in which both Barton and Stafford College were unlucky to be defeated.

The final saw Cannock hold on and retain their trophy against Telford.

The second-tier trophy was won by Eccleshall, who beat Burntwood, and Stafford under-32s, taking the beer cup against Wheaton Ashton.
